HERACLEUM / LITHUANIA

Sosnowsky's hogweed in Lithuania

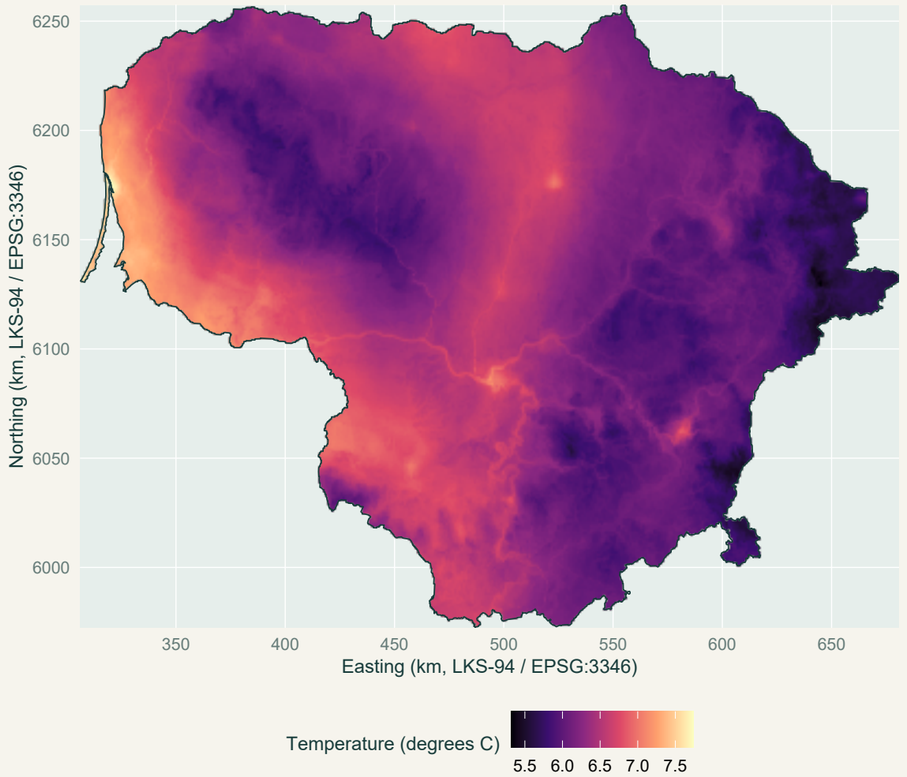

INVA polygon representatives and GBIF records for a possible external check

Sources: VSTT / INVA; GBIF contributors; GADM 4.1. Points do not show polygon extent.

Long-term mean temperature

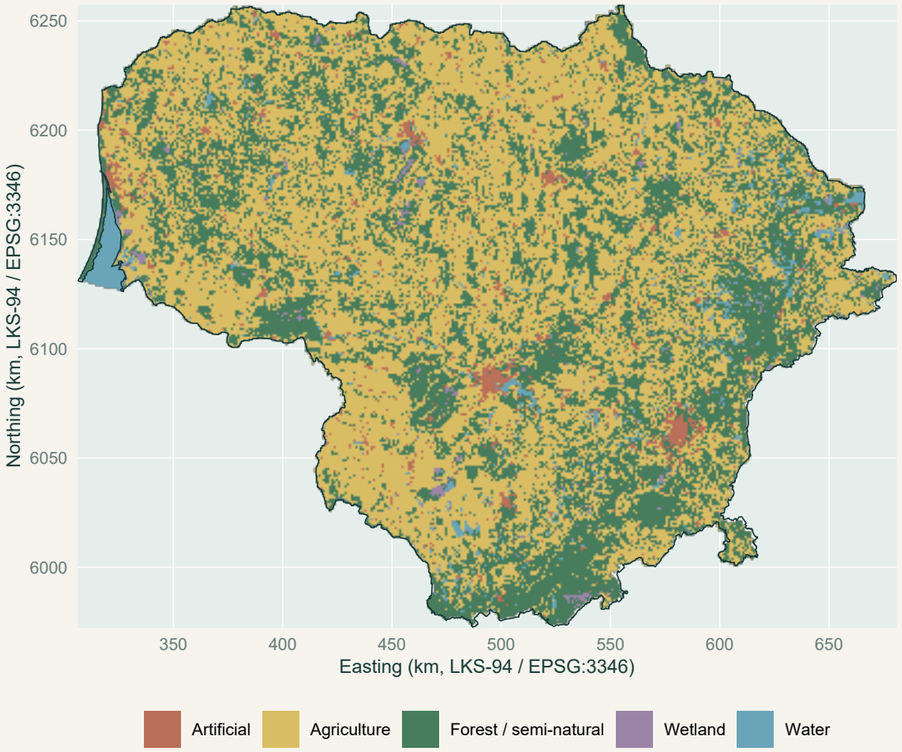

WorldClim 2.1 | 1970-2000 climate normal

Sources: WorldClim 2.1 / geodata; GADM 4.1. Values sampled at 1 km cell centres.

Land cover

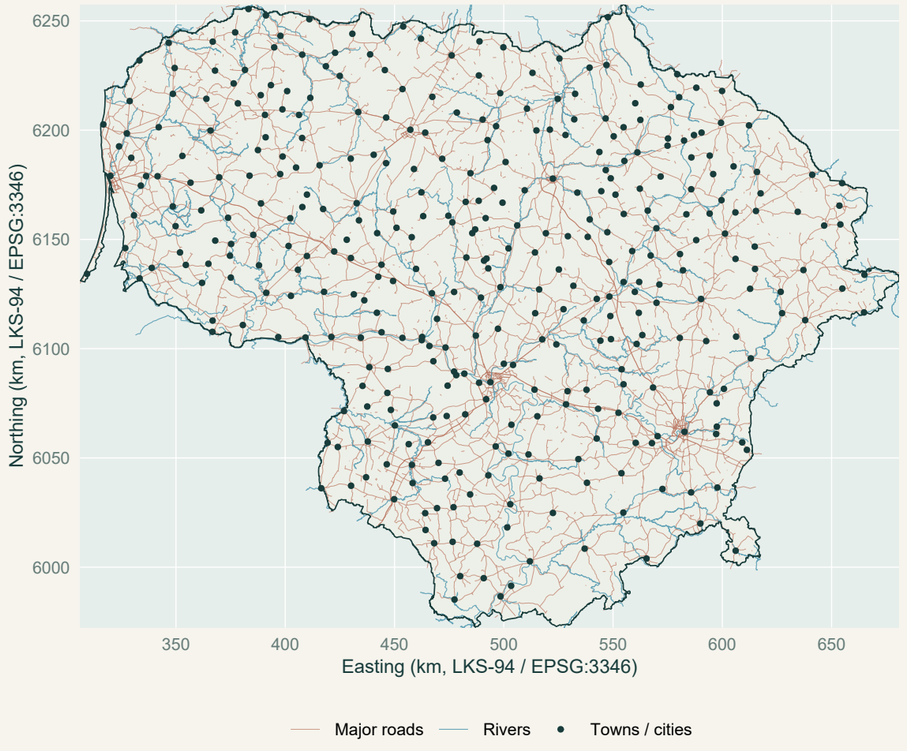

CORINE 2018 | five broad groups for display; full class codes retained for models

Source: European Union, Copernicus Land Monitoring Service / EEA, national Geoportal distribution; GADM 4.1.

Movement corridors and settlements

Major roads, rivers and towns | full selected layers used for distances

Sources: OpenStreetMap contributors / Geofabrik (ODbL); GADM 4.1.
